

Dog Grooming Workshop

Sunday, October 8, 2017

10:00 a.m. - 2:00 p.m.

This will be a hands-on workshop with model dogs who have been groomed by Dirty Dawg for years. These dogs have been models and enjoy strangers using hair clippers on their bodies, having their nails trimmed, and being brushed. We will work on the models and learn the following techniques:

- ✿ trimming their nails
- ✿ cutting their coats
- ✿ removing hair from their ears
- ✿ doing sanitary trimming with clippers
- ✿ removing hair from the bottom of their feet

We will also focus on how to handle dogs at home for a comfortable and safe grooming experience.

COST: \$80.00

INCLUDED: Brush and toenail clipper

There are only 10 spots available for the workshop. Register and pay for the workshop to hold your spot by calling *Holistic Veterinary Healing*.

REFUND: If you need to cancel, a refund will be given if your spot is filled by someone on the waiting list. If there isn't a person available to fill your spot, instead of losing your fee, you will have the option of being placed in the next workshop.
